

Headaches

Fatigue Bloating

Stomach Cramps

All common symptoms of an allergy

145 MILLION +
people in the US suffer with allergies!

WHO ARE WE?

- ✔ One of the leading allergy testing companies in the world
- ✔ Over 10 years experience and over 250,000 tests completed
- ✔ Using testing equipment that is a class 2 medically approved device and currently pending FDA approval (expected Fall 2016)
- ✔ Present throughout UK, Europe and US

WHAT WE DO AND WHY WE DO IT?

- ✔ Our test is non-invasive and only requires a few hair samples
- ✔ We use hair as it stores the data for longer unlike blood and urine
- ✔ Our comprehensive system offers Nutritional Deficiency Tests and the Metals Toxicity Tests
- ✔ We test 600 Non IgE-mediated allergies including 300 food and non-food items
- ✔ We use the latest Bioresonance technology to diagnose your allergies
